SOAP for Family Medicine Feb 27 2020 SOAP for Family Medicine features 90 clinical problems with each case presented in an easy to read 2-page layout. Each step presents information on how that case would likely be handled. Questions under each category teach the students important steps in clinical care. Blackwell's new SOAP series is a unique resource that also provides a step-by-step guide to learning how to properly document patient care. Covering the problems most commonly encountered on the wards, the text uses the familiar "SOAP" note format to record important clinical information and guide patient care. SOAP format puts the emphasis back on the patient's clinical problem not the diagnosis. This series is a practical learning tool for proper clinical care, improving communication between physicians, and accurate documentation. The books not only teach students what to do, but also help them understand why. Students will find these books a "must have" to keep in their white coat pockets for wards and clinics.

Soap Lake Nov 05 2020 Soap Lake is located in eastern Washington at the southern end of the Lower Grand Coulee. Carved by the erosive forces of cataclysmic floods, the lake paints a serene portrait across a landscape framed with rugged basalt cliffs and talus slopes. After thousands of years, groundwater leaching through hundreds of feet of basalt created the lake, which has a high concentration of sulfate, carbonate, bicarbonate, sodium, and chloride and a pH at or close to 10.0. Prior to the development of penicillin and sulfa drugs in the 1940s, Soap Lake became widely known for the healing quality of its waters, attracting thousands of visitors each summer, some of whom arrived on stretchers at the nearby train station.

Soap Book May 24 2022 Fire Light, Forest Garden, Gentlemen Farmer, Lemon Verbena, Oat and Wheat Bran--this is but a sampling of the thirty wonderful recipes you'll find in this guide to making soap. History, chemistry, equipment, plants, and oils--everything you need to know to create your own all-natural, handcrafted, herbal, aromatherapy, and floral soaps.

Soap Dec 07 2020 In this work, begun during the German occupation, the eminent French poet and philosopher began to turn away from the small, perfect poem toward a much more open form, a kind of prose poem that recounted its own process of coming into being along with the final result.

Days of Our Lives Sep 03 2020 On November 8, 1965, Days of Our Lives debuted on NBC. The show overcame a rocky beginning to become one of the best-loved and longest running soap operas on daytime television. For 30 years, the story of the show's Horton family has been closely followed by a dedicated audience. Through extensive research, including the first-ever examination of the show's archives, and interviews with cast members, writers, producers and production personnel, the show's history is told here. This reference work provides a complete cast list from the show's debut through 1994, as well as the most comprehensive storyline of the show ever available. Also included are family trees of the show's characters, tracing the often confusing relationships involved in thirty years of developing roles.

Worlds Without End Jun 12 2021 A volume commemorating the December 1997 exhibition

William Booth Aug 03 2020 "Each true story in this series by outstanding authors Janet and Geoff Bengé is loved by adults and children alike. More Christian Heroes: Then & Now biographies and unit study curriculum guides are coming soon. Fifty-five books are planned, and thousands of families have started their collections! Horrified by the poverty and human misery in industrial England, General William Booth and his Salvation Army brought the gospel and life-changing social services to the outcasts of society (1829-1912).

Soap Making Recipes Book 4 Oct 05 2020 People use soaps religiously and happily add them in their daily hygienic routine. This ritual following can be turned into more beauty oriented experience by carefully choosing the soap containing the best content for your skin. Yes, beauty is no more the concern of women only as men equally show concern for their skin and looks. Getting the soap containing the contents you want is quite tough as they are pre pack with many contents, whether you like it or not you have to use it. But the great thing is, now you can easily make your own beauty soaps at home with ingredients of your choice, even customized it with refreshing fragrances to soothe and refresh your bathing time.

Speaking of Soap Operas Aug 27 2022 From "Ma Perkins" and "One Man's Family" in the 1930s to "All My Children" in the 1980s, the soap opera has capture the imagination of millions of American men and women of all ages. In Speaking of Soap Operas, Robert Allen undertakes a reexaminati

Soap Opera History Mar 22 2022 An introduction to the slow-moving world of soap operas includes reviews of major storylines, histories of how each show began, cast lists, and other information on both daytime and evening serials

How to Make Melt and Pour Soap Base from Scratch Feb 06 2021 This is the first book published with recipes, methodology and tips on how to make Melt and Pour Soap from Scratch. It is written from the perspective of a Cosmetic Formulator on the production of the popular cosmetic base known as, Melt and Pour Soap. Whether you are a crafter, hobbyist or business owner this book has everything that you need. This book give you guidance on how, as a small home based business, you can follow the regulations, labeling laws and industry standards for selling soap and cosmetics. My entire journey into the cosmetic industry started with Melt and Pour Soap shortly after I discovered aromatherapy. The roots of our business, Essential Wholesale, all started in December of 1998. Over the years we moved from our home kitchenette to a 600 square foot space, to a 2500 square foot building, to a 10,000 square foot space in a bigger building, and from there we have expanded into 30,000 square feet of that same building. In 2011 our business will be moving to an even larger 58,000 square foot building. As our business expanded we began to focus on natural cosmetics and personal care products. However, I never lost my curiosity and fascination with Melt and Pour Soap. Our relationship with Melt and Pour Soap changed over the years. At first we sold retail customized Melt and Pour Soaps. We then bought and sold the company Critter Soaps. Later we sold thousands of pounds worth of wholesale Melt and Pour Soap base and eventually discontinued selling Melt and Pour Soap because the price kept rising. At the time Melt and Pour Soap was the only cosmetic base we sold that we didn't manufacture ourselves. It simply didn't make sense to wholesale someone else's base when our business model had changed to selling only the bases we manufactured ourselves. It was at this point in our business that I decided it was time to formulate our own Melt and Pour Soap ourselves. It didn't take long to have working formulas, but at that moment we were using up every inch of space in our 30,000 square foot building. We were bursting at the seams and couldn't accommodate the manufacturing and cooling of the Melt and Pour Soap Base in bulk. Our space was so tight we couldn't possibly cool an 8,000 lb batch of Melt and Pour Soap base into multiple 1 lb, 20 lb and 40 lb blocks to sell in bulk. But we got continued requests to manufacture and sell Melt and Pour Soap base. My solution is this book. I decided to share these basic recipes with you to give you the freedom to make your own Melt and Pour base in the quantities that work best for your business. These recipes will teach you the foundational information that you need and give you tips on how to customize your base.

Handmade Soap Aug 15 2021 Lavender and olive oil, honey and oatmeal, cinnamon and orange. These are just some of the natural ingredients that can be used in soap, an age-old craft that makes a perfect hobby - simple, rewarding and, most of all, fun. Clear step-by-step instructions and photographs take you through each stage of the soap-making process. There is also invaluable guidance on tools and equipment, materials and ingredients, and safety procedures. The book includes twenty unique soap recipes, using only pure ingredients, such as Goat's Milk and Almond Oil Soap for moisturizing and Seed Soap for exfoliation. There are also soaps for utter self-indulgence; relax with Lavender Oil Blocks, revive with spicy Clove Soap or luxuriate with exotic Sandalwood Bars. In this book, you will find the inspiration and know-how to make natural, yet beautiful, soaps.

SOAP for the Rotations Sep 27 2022 Ideal for medical students, PAs and NPs, this pocket-sized quick reference helps students hone the clinical reasoning and documentation skills needed for effective practice in internal medicine, pediatrics, OB/GYN, surgery, emergency medicine, and psychiatry. This updated edition offers step-by-step guidance on how to properly document patient care as it addresses the most common clinical problems encountered on the wards and clinics. Emphasizing the patient's clinical problem, not the diagnosis, the book's at-a-glance, two-page layout uses the familiar SOAP note format.

Liquid Soapmaking Nov 25 2019 In "Liquid Soapmaking" you will find clear explanations accompanied by full color photography, tables and charts illustrating how to: a) Successfully create sparkling clear soaps quickly and easily every time. b) Formulate liquid soap so you never have to dissolve a stubborn soap paste again. c) Make the most luxuriously thick shower gels ever. d) Color, fragrance and thicken your liquid soap. e) Add nutritive value with herbal extracts and infusions. f) Extend the shelf life and stability of your soap. g) Formulate your own recipes.

Sweat and Soap 2 Oct 24 2019 In an office romance, there's a fine line between sexy and awkward... and that line is where Asako -- a woman who sweats copiously -- met Koutarou -- a perfume developer who can't get enough of Asako's, er, scent. Don't miss a romcom manga like no other! ON THEIR SCENT Asako Yaeshima and Kotaro Natori's scent-sual relationship is going well, though they've decided to keep it a secret from their coworkers for now. However, Kotaro's prote'ge?, Korisu Ichise, can sense something's going on between the two of them... but what? And when Asako tells her family about her new beau, her brother decides Kotaro needs to be put to the test. Because a playboy like Kotaro must spell doom for his sister... right?

Milk-Based Soaps May 12 2021 Craft beautiful, sweet-smelling milk-based soaps safely and easily. In this fun and informative guide, Casey Makela shares her specialized techniques for producing lusciously creamy soaps. With straightforward instructions and thorough explanations, Makela teaches you how to fashion your own soaps from vegetable oils and tallow bases, giving dozens of suggestions for relaxing scents and specialty colors that will let your product shine. You'll soon be creating enticingly unique soaps that will keep your glowing skin smelling and feeling good all day.

Sweat and Soap 5 Apr 30 2020 In an office romance, there's a fine line between sexy and awkward... and that line is where Asako -- a woman who sweats copiously -- met Koutarou -- a perfume developer who can't get enough of Asako's, er, scent. Don't miss a romcom manga like no other! JINGLE SMELLS With great effort, the notorious workaholic Natori has managed to carve out a real holiday break, with time away from the office to spend with his girlfriend Asako. But that doesn't mean he's been able to tear himself away long enough to get her a proper present, and by the time he starts looking for a Christmas reservation at the restaurant he's had his heart set on, they're full up! For her part, Asako's been completely swamped—the books have to be closed for the end of the year, so 'tis the season to log overtime in the accounting department! The hilarious ups and downs of an office romance at a personal care products company are the subject of this sexy, strange romp. Sweat and Soap combines the odd-couple chemistry of Wotakoi, the "too real!" workplace comedy of Aggretsuko, and a heavy dollop of office steaminess!

Don't worry, we have you covered with a bonus mini e-book with an additional 45 soap recipes. Click and grab this book today and be ready to change your life for the better!

Her Stories Nov 17 2021 "HER STORIES provides an in-depth history of the production and reception of the daytime soap opera in the U.S. It offers a detailed view of the genre's life span—from its move from radio to television in the middle of the 20th century to its supposed demise (but continued afterlife) in the beginning of the 21st century. Soap operas have traditionally been considered a women's genre and thus marginal to the formation of television industry. Elana Levine reclaims the foundational role of soap operas in US television history. Levine begins by tracing how soap opera transitioned from a radio to a TV genre from the 1940s through the 1960s, focusing on how the American TV industry used the genre to hone TV production and storytelling techniques, as well as to develop the medium's commercial viability. With viewers imagined as white middle-class housewives, soaps interrogated stories of family life and marriage, purporting to serve as therapy for women struggling to cope with their home lives. Levine shows how early soaps offered real recognition of the challenges and dissatisfactions of the heterosexual nuclear family ideal, but failed to connect that unhappiness to structural forces. Next, the book turns to the boom years of daytime soaps on US broadcast network television, from the 1960s through the 1980s. Early soaps had been funded by a single sponsor-owner—for example, Procter & Gamble—but the rising popularity of daytime soaps allowed for experimentation with other funding models: ABC's first soap, General Hospital, was funded by participation advertising, which left more editorial power in the hands of the network. This then altered the relationship between soap writers and broadcast networks, allowing for technological shifts, evolving visual and auidal norms, new narrative strategies—including comedy and recapping—and greater representation and engagement with social issues. Finally, Levine examines the slow decline of soaps from the 1980s to

today. Shifting notions of the imagined audience for soaps, as well as changing technologies for recording and watching TV, have led the industry to cast soap audiences in derogatory gendered, raced, and classed terms—old, low-income, and non-white, and therefore undesirable for advertisers. Levine argues that, desperate for viewers, soaps in the 2000s turned to exploitative treatment of social difference in a way that, for her, undermines the genre's history. HER STORIES is accessibly written and will appeal to scholars and students in TV and media studies, women's studies, American studies, and cultural studies"--

Basic Soap Making Apr 10 2021 An introduction to soap making that includes step-by-step illustrations and instructions for making cold press soap, molding soap, cutting bars, creating new recipes, building a soap mold, liner, and cutter, and packaging soaps as gifts.

"Soap Making Guide for the Novice" helps the reader to learn what the process of homemade soap making entails and how someone can get started with the process. The process of soap making is not difficult. It takes a bit of planning, having the right ingredients and a lot of dedication to the task. It can not only be a hobby, but can become a way to earn additional income in the long run.

Life Is a Soap Bubble Mar 29 2020 Mystics don't usually write books; they speak and work directly with people in a transformational way. Life Is a Soap Bubble is among the few written statements available from enlightened masters or mystics. Lao Tzu's statements of the Tao Te Ching came into being only at the end of his life. In the same way, Osho's books are transcriptions of his daily talks. This book is a precious collection of 100 letters written by Osho and mailed to a Yoga Sohan at her meditation camp. Osho promised her that he would send her a letter every day and that she should keep them so they could be published one day. This collection of thoughts provides an essential road map to those who feel that there must be something more to life and are ready to explore other dimensions of being. These short passages are full of diverse, pertinent gems that will touch the heart.

Sweat and Soap 11 Jan 08 2021 In an office romance, there's a fine line between sexy and awkward... and that line is where Asako -- a woman who sweats copiously -- met Koutarou -- a perfume developer who can't get enough of Asako's, er, scent. Don't miss a romcom manga like no other! WEDDING BELLS ARE RINGING The ceremony is just around the corner, but there's still a lot to be done: ?nalizing the guest list, sending out invitations, picking out wedding favors, ?guring out ?ower arrangements... The tasks are endless and exhausting. Can Asako and Kotaro get everything done in time for their big day?! FINAL VOLUME!

Making Transparent Soap Oct 17 2021 Contrary to popular belief, making beautiful see-through soap doesn't require loads of special equipment, supplies, or overly complex preparation methods....

Soap! the Inside Story of the Sitcom That Broke All the Rules Dec 31 2022 From its tumultuous beginnings in 1977 to its end by firing squad - on screen and off - Soap was as passionate and controversial as the times in which it was made. During its four-year run, it tackled sex, death, depression and infidelity, all with a wit and gentleness never before seen on American television. Throughout that time, a vocal minority hounded the sitcom and parent network ABC over its perceived irreverence toward the mores of a declining generation, even as the real world was convulsed by terrorism, energy crises, and fallout from the Vietnam conflict and governmental malfeasance. For the first time ever, Soap: The Unauthorized Inside Story of the Sitcom that Broke all the Rules takes you behind the scenes, from the producers' battles with network censors over an earlier series, to the creation of enduring story lines such as the death of Peter Campbell, and Burt's abduction by aliens. Based on interviews with nearly 30 members of the cast and crew, this book offers an extensive examination of each episode, and may finally reveal the societal forces that really led to the series' premature demise.

Blood and Soap Apr 22 2022 Blood and Soap is a breakthrough collection of modern-day fables from a wildly inventive American writer whose fiction has been called "terse and edgy" (Booklist) and "vividly imagined" (Kirkus Reviews). Dinh's gift is for constructing, in the manner of Italo Calvino, simple narratives that quickly frame larger questions; with a poet's timing, the author builds his stories to the one or few climactic sentences that brand them with unforgettable meaning. In one tale, a Vietnamese boy's self-guided, haphazard study of English gives way to a meditation on the universality of language: "Everything seems chaotic at first, but nothing is chaotic. One can read anything: ants crawling on the ground; pimples on a face; trees in a forest." In another story, a man opens a newspaper and sees the photograph of a man he may have murdered, which he impulsively clips, only to feel that in doing so he unwittingly has sealed his crime: "As soon as I finished, I realized what I had done: by cutting my father's likeness out of the newspaper, I had removed him from the world." The collection crescendoes in displays of raw creative power, as in "Eight Plots," a rapid-fire of three- and four-sentence summaries, and the brilliant, impressionistic "!" Blood and Soap is an arresting collection from one of a small number of writers on the vanguard of American fiction.

Soap! the Inside Story of the Sitcom That Broke All the Rules Aug 22 2019 This is the story of two sisters, Jessica Tate and Mary Campbell, and the world that their two families made. From its tumultuous beginnings in 1977 to its end by firing squad, onscreen and off, Soap was as passionate and controversial as the times in which it was made. During its four-year run, it tackled the subjects of sex, death, depression, infidelity, family, and the absurdities of the human condition, all with a wit and gentleness never before seen on American screens. Throughout that time, a vocal minority hounded the sitcom and its parent network, ABC, over its perceived irreverence toward the mores of a declining generation, even as the real world was convulsed by terrorism, energy crises and fallout from the Vietnam conflict and Watergate. Though continued pressures from these groups would bring about an early end to the series, its cast and crew would go on to change the face of American entertainment, earning Soap an enduring place in American culture. Go behind the scenes of the making of this classic show, from the producers' battles with network censors over an earlier series to the creation of enduring story lines, such as the death of Peter Campbell and Corinne and Tim's devil baby. Based on interviews with nearly thirty members of the cast and crew, including creator Susan Harris, Katherine Helmond (Jessica) and directors Jay Sandrich and J. D. Lobue, and awash with extensive examination of every episode. Discover the answer to the question of what really led to the series' premature demise.

Pure Soapmaking Jul 14 2021 The pure luxury of soaps made with coconut butter, almond oil, aloe vera, oatmeal, and green tea is one of life's little pleasures. And with the help of author Anne-Marie Faiola, it's easy to make luscious, all-natural soaps right in your own kitchen. This collection of 32 recipes ranges from simple castile bars to intricate swirls, embeds, and marbled and layered looks. Begin with a combination of skin-nourishing oils and then add blueberry puree, dandelion-infused water, almond milk, coffee grounds, mango and avocado butters, black tea, or other delicious ingredients — and then scent your soap with pure essential oils. Step-by-step photography guides you through every stage of cold-process soapmaking.
