Lucifer - Father of Cain Mar 19 2022 The esoteric knowledge presented here, represents what are in my belief, some of the most carefully guarded, heavily veiled, and least understood secrets of biblical wisdom traditions. Many have stumbled upon this knowledge without necessarily grasping just what the full implications this knowledge means for unlocking and deciphering the riddles of our Holy Bible as bestowed upon us by our Father Yahweh through the line of prophets and even His only begotten Son Yahushuah Savior Messiah. The secret that unlocks all things biblical is knowledge that Cain was a child of Eve and Lucifer and not the first born son of Adam. Understanding that there are two blood lines upon the planet and that these two bloodlines have been warring with one another since the inception and dawning of humanity upon this world will help one to decipher this critical theme as it plays out through the totality of all available scripture, from the fall to soon coming judgment.

The Doctrine of the Shape of the Earth Mar 27 2020 Do you trust God's Word to be Faithful and True? Have you ever considered what the authors of the Bible, who were inspired by God, wrote about regarding the shape of the Earth? Does God's Word even mention the topic? Are NASA's claims and the mainstream Scientific Community in complete alignment with God's Word, or are there some contradictions? If there are contradictions, does it really matter? Did God intend for us to interpret his description of his Earth as mere poetry and metaphors? Is it possible that NASA has debunked God's Word at our subconscious? Does God's Word state that he created a Globe Earth, Flat Earth, or some other kind of shaped Earth? Does God care what you believe the shape of the Earth to be? The answers to these questions and many many more are within, and you may just be surprised.

Why Did Yahweh and His Son Yahshuah Say What They Said? Dec 16 2021 YAHWEH (The LORD God) and His Son YAHSHUAH

(Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

The David Story: A Translation with Commentary of 1 and 2 Samuel Jun 29 2020 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are

tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Reading Romans in Context Jul 31 2020 Readers of Paul today are more than ever aware of the importance of interpreting Paul's letters in their Jewish context. In *Reading Romans in Context* a team of Pauline scholars go beyond a general introduction that surveys historical events and theological themes and explore Paul's letter to the Romans in light of Second Temple Jewish literature. In this non-technical collection of short essays, beginning and intermediate students are given a chance to see firsthand what makes Paul a distinctive thinker in relation to his Jewish contemporaries. Following the narrative progression of *Romans*, each chapter pairs a major unit of the letter with one or more thematically related Jewish text, introduces and explores the theological nuances of the comparative text, and shows how these ideas illuminate our understanding of the book of *Romans*.

Moses in Biblical and Extra-Biblical Traditions Nov 22 2019 The papers in this volume revolve around the history of the influence exerted by the person of Moses and the traditions associated with him. They deal not only with the function of the figure of Moses in the Pentateuch, the salvation in the Red Sea and the final day of Moses' life, but also with the way Moses was received in the

Deuteronomic history, the Psalms, the Book of Jeremiah, the Septuagint, in Qumran, early Jewish extra-biblical literature, the New Testament and the Early Church.

The Gospel According to Mark Jun 10 2021 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

The Flat Earth as Key to Decrypt the Book of Enoch Jul 23 2022 Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as the motion of the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch's description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

Fallen Angels, the Watchers, and the Origins of Evil Sep 01 2020 Evil walked the earth when angels fell. Evil stalks us now in disembodied spirits; immortal wraiths once clothed in flesh when angel and women bred; spirits released from their fleshly prisons when their bodies were destroyed for drinking the blood of men. Evil also lives inside of the common man; set free when pride kills reason and eats integrity whole. There is evil that entraps us and evil

that tugs from within. But neither have control until we choose to relent. Evil is a choice of action, of thoughts entertained too long, of arrogance pushing aside the last vestiges of compassion. Evil resides within the problem of choice. What is evil? Could it be as simple as pernicious selfishness? Could it be the drive for immediate gratification without regard for others? Man's life is limited; one hundred years or less. But, the souls of angel and watcher are eternal. Consider how much evil can be wrought through the millennia of immediate gratification on an eternal scale. By contrasting and comparing ancient texts such as Enoch, Jasher, Jubilees, the Bible, and various others containing stories of the creation of angels, demons, and man, a full and panoramic history of evil is produced. In this history the startling revelation of the descent of man and angels, and the evolution of evil on earth is clearly revealed.

Recovering Biblical Manhood and Womanhood (Revised Edition) Oct 02 2020 A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Disciple I Becoming Disciples Through Bible Study: Study

Manual Apr 08 2021 DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE: BECOMING DISCIPLES THROUGH BIBLE STUDY, a thirty-four week overview of the entire Bible. Commitment and Time Involved Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. Study Manual Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. We recommend the New Interpreters Study Bible More Questions? Visit www.cokesbury.com/disciple.

The Canon of Scripture Jan 05 2021 Winner of two 1990 Christianity Today Awards: Readers' Choice (1st place; theology & doctrine) and Critics' Choice (1st place; theology & doctrine). A 1989 ECPA Gold Medallion Award winner! How did the books of the Bible come to be recognized as Holy Scripture? Who decided what shape the canon should take? What criteria influenced these decisions? After nearly nineteen centuries the canon of Scripture

still remains an issue of debate. Protestants, Catholics and the Orthodox all have slightly differing collections of documents in their Bibles. Martin Luther, one of the early leaders of the Reformation, questioned the inclusion of the book of James in the canon. And many Christians today, while confessing the authority of all of Scripture, tend to rely on only a few books and particular themes while ignoring the rest. Scholars have raised many other questions as well. Research into second-century Gnostic texts have led some to argue that politics played a significant role in the formation of the Christian canon. Assessing the influence of ancient communities and a variety of disputes on the final shaping of the canon call for ongoing study. In this significant historical study, F. F. Bruce brings the wisdom of a lifetime of reflection and biblical interpretation to bear in answering the questions and clearing away the confusion surrounding the Christian canon of Scripture. Adept in both Old and New Testament studies, he brings a rare comprehensive perspective to his task. Though some issues have shifted since the original publication of this book, it still remains a significant landmark and touchstone for further studies.

Crushing Conceptualism in Modern Christianity Oct 14 2021 A heavy spirit of conceptualism has infiltrated the modern Christian establishments. Our traditions, philosophies, theologies, etc. Everything our beliefs are built upon has been influenced by an elite world-class system. Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called “church?” More to this thing we call “Christianity?” If so, this book is what you have been waiting for. A truth movement has emerged. A remnant of modern “Ark Builders” endeavors to awaken those who are still asleep. Every day we see evidence of what the Bible describes as “spiritual wickedness in high places” (Ephesians 6:12). Those who secretly govern our world have an agenda to unite and target professing Christians. The motive is world dominance, and the method is mind control, to brainwash

the mass into conforming to what is socially acceptable and politically correct. But we are not ignorant of the enemy's strategies. This book equips its readers with information exposing this deception, as it bridges the gap between conspiracy theory and demonic activity. You are about to open the door to a world you never knew existed, a reality of which you never knew you were a part. Prepare yourself. Once you see, you will never be able to unsee this realm again.

Archon Invasion Sep 25 2022 Who or what is an Archon? What is "The Genesis Six Experiment?" Who were the Nephilim? How did they return both before and after the Flood? What differentiates the days of Noah from the days of Jared? Were there female Nephilim? Could the giants reproduce? Why should we be concerned about the act of mixing animal and human DNA? Why did Jesus say the Last Days would be like the days of Noah? Find out in this information packed book by Rob Skiba!

Leviticus Aug 20 2019 This Bible study guide is presented as an extension to Rob and Sheila Skiba's Virtual House Church. It is designed to show you how the themes, stories, and words of the Torah (the five books of Moses) are woven throughout the writings of the prophets and New Testament. There is much wisdom to be gained from the Torah. The word is often translated as "law" but really, it represents the instructions of our loving Father to His children. We pray this study draws you into a closer, more intimate relationship with Him. We also welcome you to join us for additional study and commentary at our Virtual House Church.

Desiring God Feb 24 2020 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Testing the Globe: A Zetetic Investigation Feb 18 2022 This is a compilation of books written in the late 19th century. It includes Zetetic Astronomy by Samuel "PARALLAX" Rowbatham and 100

Proofs Earth Not a Globe by William Carpenter along with a Preface, Introduction and commentary throughout, written by Rob Skiba. It is dedicated to those willing to hear the whole matter; to those daring enough to entertain a thought, even without first accepting it and who have the guts to actually take the time to investigate the matter before condemning it. The subject is Flat Earth. If you dare to read this book from cover to cover, you will begin to see why this "taboo" topic is coming to the forefront once again, trending so high on Google and YouTube and why, believe it or not, you may actually know some

Unprotected Texts May 29 2020 “An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar.” —Bart Ehrman, author of *Misquoting Jesus* Boston University’s cutting-edge religion scholar Jennifer Wright Knust reveals the Bible’s contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman’s *Jesus Interrupted* and John Shelby Spong’s *Sins of Scripture*, Knust’s *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don’ts—so often dictated by religious demagogues. Knust’s powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Genesis and the Synchronized, Biblically Endorsed, Extra-Biblical Texts Dec 28 2022 This book contains an introduction by Rob Skiba, followed by an example of how Genesis, 1 Enoch, Jasher and Jubilees can be synchronized to tell a very detailed story concerning "The Genesis Six Experiment." Following that section is a side-by-side comparison of the Brenton's Septuagint with King James Version of the book of Genesis. Finally, the remaining sections contain the complete works of 1 Enoch, Jasher and Jubilees. With all of this in one volume, the reader is sure to find this book a valuable resource for serious study and in-depth research.

The Gospel According to Matthew Dec 04 2020 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Lost Gospel Feb 06 2021 Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, *The Lost Gospel* provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. *The Lost Gospel* takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia.

The Genesis Question Jan 25 2020 For those who wonder whether or not the Bible is scientifically accurate, this book gives a scientific response to questions on Genesis 1-11.

The Logic of God Apr 27 2020 We all have doubts that challenge our faith. We wonder whether the Bible still matters, or whether God is truly as loving and personal as we hope. In his first ever devotional, *The Logic of God*, apologist Ravi Zacharias offers 52 readings that explain how and why Christianity, the Bible, and God are still relevant, vital, and life-changing for us today. To all our dilemmas Ravi says, "I am convinced that Jesus Christ alone uniquely answers the deepest questions of our hearts and minds." With a remarkable grasp of biblical facts and a deep understanding of the questions that trouble our hearts, Ravi tackles the most difficult topics with ease and understanding. But *The Logic of God* is more than intellectual; it is also personal, offering thoughtful wisdom on: when Jesus draws especially near you the deep ray of hope found in God's Word how God transforms disappointments why prayer matters how genuine peace is possible making sense of suffering *The Logic of God* is a USA Today and Wall Street Journal bestseller. *The Logic of God* was named the 2020 ECPA Christian Book Award winner for Bible Study category. Ravi makes profound biblical truth easy to understand. And if your life is busy, this book is designed for you! It addresses 52 topics that you can read over the course of one year or slowly digest at your own pace. Each entry includes a scripture, questions for reflection, and some practical application steps. When you're struggling with questions and doubts, confused, curious, or just want a clearer way to express your faith *The Logic of God* has answers that satisfy the heart and the mind.

The Second Coming of the Antichrist Mar 07 2021 Five thousand years ago the world fell victim to the rise of history's first great superpower: a massive empire based on the expansion of trade backed by overwhelming military might, under the leadership of a legendary figure who was feared and worshiped as a god. Indeed, this ancient king's legacy left a lasting imprint upon history, mythology, and religion, eclipsed only by the appearance of Jesus Christ three thousand years later. The Antichrist is dead, but his

story is not over. Through an extensive analysis of archaeological evidence, ancient mythological accounts, and biblical and occult predictions, *The Second Coming of the Antichrist* reveals that story.

Bible Maps Bible Illustrations and Diagrams "It is awesome! Rose

Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible, ' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews

Babylon Rising Oct 26 2022 What do the Mayan prophecies, the Aztec Calendar Stone, the symbols on America's Great Seal and the U.S. Capitol Building all have in common? Will the first Antichrist rise again? Will ancient Babylon once again become a prominent player in the Last Days? Will America be the catalyst through which both return? Why do the actions of our presidents, the iconography on the back of the U.S. one dollar bill, and the monuments of Washington, DC all seem to indicate that it will be? Find out in this updated and expanded edition of **Babylon Rising: And The First Shall Be Last**.

Enoch and the Pleiades May 09 2021 It is the scholarly view that the Book of Enoch is written from about 300 BC to 50 BC. Thus, if they are right, the Book of Enoch must be a forgery, as it itself says that it is written by the pre-flood patriarch Enoch, thus making it the oldest book in the world. As a Bible believing christian, you must consider why then the brother of Jesus, the apostle Jude, did quote this "forgery". Either he and the whole bunch of apostles (because they too, were influenced by the Book of Enoch) were foolish enough to buy this false book - or it must be older than what the scholars say, and written by the one it says is the author: Enoch himself. What if it could be proved that the Book of Enoch IS older than what the scholars say? What if this book in itself can prove it? Because if it was written 5000 years ago, wouldn't there be some traces in it (geographical, or astronomical), perhaps hidden to people in the centuries before Christ, but possible for us in our technological time, to discover? I believe that I have found such evidence - evidence that proves 'beyond doubt', that the Book of Enoch IS 5000 years old, and I'm going to tell about it in this book, and how I discovered it. In this book, you will learn, 1. How Enoch was taken by the angels of God to Antarctica, and from there to the Pleiades, to see the place where the 7 primeval angels are imprisoned, and where the corrupted watchers were to be bound. 2. The location of Tartarus, the bottomless pit - not in the earth, but UNDER the

earth. 3. The dividing in Peleg's days, which was not the break up of the continents, but the division of the nations under a new group of angelic, corrupted watchers. 4. How Gilgal Refaim in the Golan Heights fits the description in the Book of Enoch of the burial place of Azazel. 5. What the key to the Abyss is, and where its opening is located. 6. How archeology and the Book of Enoch agree about when and where humanity learned to read and write. 7. How the Book of Enoch has been the instrument of God in three points in time, and how these three correspond to the three transitions between the ages of Taurus, Aries, and Pisces. 8. How the Gilgal Refaim astronomical "clock" is set to exactly the time when, according to Enoch and Noah, Azazel and the 200 watchers were gathered and buried under stone mounds.

The Nephilim, a Giant Walk Through History Nov 27 2022 Have you ever wondered why God allowed genocide in the land of Canaan? Do you remember growing up and hearing stories of giants? Does the phrase "Fee Fi Fo Fum" sound familiar? What exactly did Jesus mean when He said that the last days would be like the days of Noah? In this story, the author takes you on a journey, founded in Biblical and extra-Biblical text, from the dawn of time through the present day and even portrays a glimpse in what might happen in the very near future. Who were Nimrod and his wife? How do they tie in to events both in the past and the future? Who are the Nephilim? Are they real? Do they live among us? Find out the answers to these and many more questions in this book today.

The Book of Genesis Jan 17 2022 During its 2,500-year life, the book of Genesis has been the keystone to important claims about God and humanity in Judaism and Christianity, and it plays a central role in contemporary debates about science, politics, and human rights. The authors provide a panoramic history of this iconic book, exploring its impact on Western religion, philosophy, literature, art, and more.

Biblical Eschatology: May 21 2022 In recent history, men from a

variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible

prophecy be Interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

One Hundred Proofs that the Earth is Not a Globe Jul 11 2021 First published in 1895, this volume contains a series of arguments against the idea that the world is round. The belief that the Earth is flat and not a globe existed in many ancient civilisations, but we now know that this is not true. However, even today there are those who believe in a flat earth, just as there was when ideas of a spherical earth were relatively new. Within this book, the author explains why these new ideas of the planet as a globe are absurd, with interesting examples and explanations as to precisely why. Highly recommended for those with an interest in Flat Earth theory and the history of astronomy. Contents include: "Ships 'Going Down!'", "How Much Lonier Will it Be?", "Absurd Theory!", "No Proof to be Had", "When the Man Has Time!", "Earth A Globe", "The Scientific Wager of 1870", "Our Opponents Ways and Means", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this book today in an affordable, modern edition complete with the original text and artwork.

YHWH's Unique Time-piece Nov 15 2021 In many of the sources I have read, there was an element of evolutionary thinking in the progress of man. Ancient man was looked upon as underdeveloped, superstitious and ignorant. How arrogant we have become. I believe we are the ignorant ones. We have been duped through the generations that we know it all - We have ascended to heights way above our ancestors in knowledge - when really we know less than they did. Can any of us rattle off the constellations and explain why they are up there? Do we know how the sun and moon work together to point out the month and season we are in and follow them through each mansion? Do we understand the positions and phases of the moon and why they even happen? Without this information we cannot know His true appointed times

The Clueless Weapon Aug 12 2021 What happens when God answers your prayer to get closer to Him, to know Him better? This book shows how God answered that prayer for me. This is my big, cosmic trust-fall into His arms. And from there He took me on some adventures. We went to vampire territory. We went to where scientists are trying to poke God in the eye. And we met some remarkable people along the way. You will learn some hard truths, and secret things will be exposed. Get ready.

The Harbinger Nov 03 2020 "The Harbinger opens with the appearance of a man burdened with a message he has received from a mysterious figure called The Prophet. The Prophet has given him nine seals, each containing a message about America's future ... As the story unfolds, each revelation becomes a piece in a greater puzzle -- the ramifications of which will even alter the course of world history."--Publisher's website.

Leviathan's Ruse, Vol. 1 Aug 24 2022 In Leviathan's Ruse,

Alexander Lawrence exposes the tactics of the Dragon while tackling popular misconceptions and unbiblical views that have infected the church. He illuminates six major components to the great deception that Satan has leveled against us since the Garden of Eden, and explains how these relate to biblical end-time prophecies.
