The book is about all of my dreams that I had that never came true. This book will also give the inside track of what I learned about me in my life as I travel through the journey of life. People have always talked about the truth about their life, but what about the whole truth, the good, the bad and the ugly? I am just

a normal and regular person who is not perfect in no form shape or fashion. This book is just an insight of my life with all of the encounters coming from a very large family. By coming from a large family today caused many problems for me because I did not realize exactly how poor I was until I began to attend college. Not saying that most of our family didn't pull themselves out of their situations. Happiness came from the inside of your to come true. This book will show that I thought that it was the choices that I made, but in the end I found out that it wasn't only the choice, but it was other individual choices, but it was the decision of my parents that turned my life upside down and on its head. From my experience, as a child growing up here in America in the 60's and 70's life was to have dreams in our small little heads about becoming a fireman, sports photographer, doctor, or even a player playing sports. As a child having dreams are the responsibility of the parents to every effort to make their child dreams come true and this will make them successful and most of all very happy with their accomplishments. See I love the game of football and other sports as well, such as baseball, basketball and track and field, but football was my favorite. The reason that I loved football was my most favorite. The reason it was my favorite because on the football field this was where the smaller player could get even with the bigger bullies who wanted to talk trash to some of the small players. While I played the game of football in the little Pop Warner Football League, I silence the bigger boys without talking trash. As this book unfolds you will find out that other people in my life and bad timing played a role in my unsuccessful dreams. Then you will find out that my life was not only my decision

alone. But on the side of all of this I had a good life and I maintained to stay happiness. Now if I had not exposed my life to you, many people would never know the pain and hardship that I experienced in my life time. I am still the same Darmonica who you have know in the past who love sports and love lending a helping hand where it's needed. For the love of life is to love yourself, help another and take the worst of life and make the best of it, and I did just that. Without my family and friends I would not be the person who I am NOW! That's why I say, Hold on, someone is on the other line! Hank Morgan, a mechanic at a gun factory, is knocked unconscious and wakes up in England in the year 528. He also falls in love and marries. But Hank is not popular with everyone - will someone find a way to get rid of him and send him back to his own time? apparent limitations of his origins to become a popular public figure and one of America's most beloved writers. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War Two from his three previous books The Case for Christianity, Christian Behavior, and Beyond Personality, Mere Christianity provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith. Dear Reader, are you a Catholic, Anglican, Pentecostal or any other? Or, may be you are not even a Christian? Well, we are asking such questions for the last time because a time is coming, and it is near indeed, when

it will no longer be possible to ask what religion or religious sect one belongs to. Why? Because all humanity would have embraced One World Religion! At that time everybody on earth will belong, by force or by choice, to one global satanic cult called World Religion and those who try to resist it would be considered enemies of humanity and would be severely dealt with. We are seeing individual worship places, such as churches and mosques, for the last time. In the near future, under the United Religious System, there would be only one worship place for each community, perhaps called Global Worship Centre. We might then have something like Global Worship Centre, Aba, Onitsha, Ibadan, Ikoyi-Lagos, and so on. It will then become illegal for any group to have a separate place of worship! All faiths - Christians, Moslems, Witches, Jews, Hindus and others would be made to 'worship' together at the designated places. This would be happening world wide and so there would be no hiding place. Yes, One-World Religion is coming fast, together with One-World Government. In this global satanic worship system, a 'Christian' Religious Leader is likely to be at the head, for John saw him appearing as a 'Lamb'(Revelation13:11), in imitation of Christ, the Lamb of God. This leader would be accepted and respected world wide, not only as a religious leader, but also as a political and an economic leader - three roles in one! That man is coming! Those who have received the Lord Jesus Christ by then would be in trouble, for one-world religion would essentially be anti-Christ in operation. True believers would be made to worship God in hiding. And, as the persecution increases, one by one, the love of many would begin to wax cold (Matthew 24:12). Only a few sincere

Christians would endure it all - to the very end! (Matthew 24:13). Rethinks the significance of the son's relationship to his father for Freud's psychoanalytic theory. Aiming to reconceptualize some of Freud's earliest psychoanalytic thinking, Andrew Barnaby's *Coming Too Late* argues that what Freud understood as the fundamental psychoanalytic relationship—a son's ambivalent relationship to his father—is governed not by the sexual rivalry of the Oedipus complex but by the existential predicament of belatedness. Analyzing the rhetorical tensions of Freud's writing, Barnaby shows that filial ambivalence derives particularly from the son's vexed relation to a paternal origin he can never claim as his own. Barnaby also demonstrates how Freud at once grasped and failed to grasp the formative nature of the son's crisis of coming after, a duality marked especially in Freud's readings and misreadings of a series of precursor texts—the biblical stories of Moses, Shakespeare's *Hamlet*, E. T. A. Hoffmann's "The Sandman"—that often anticipate the very insights that the Oedipal model at once reveals and conceals. Reinterpreting Freudian psychoanalysis through the lens of Freud's own acts of interpretation, *Coming Too Late* further aims to consider just what is at stake in the foundational relationship between psychoanalysis and literature. Excerpt from *The Appearing and Kingdom of Our Lord Jesus Christ: In Four Letters to an Unbeliever The Great Doctrine of the Second Advent* (the subject of the following letters) has been upon the mind of the writer for about nine years. His attention was called up to consider this very interesting question through the means of sermons received from the Old World, particularly some able discourses from the pen and

pulpit of English preachers, clergymen of the Church of England. McNeile, Bickersteth, Melvill, and some others, have written and preached with great force on this subject, while the Dissenters generally have been opposed to the doctrine, and have looked at it only, or chiefly, with a view to resist it, and put it down. At the time of the writer's embracing these views, he was not aware that any in this New World had paid the least attention to the subject. And what is most astounding, the Christian public have discovered very little interest in the Doctrine, however distinctly proclaimed, while the proclaimers have said little or nothing about The Time. Really, the professors of Christ's holy religion seemed to be proof against all impression arising from the mere assertion of the truth itself; but as soon as his coming speedily - his being at the very door, was declared, men began to be uneasy; and when 1843 was announced, the whole matter of the Advent began to be clearly apprehended. Then "there were great searchings of heart;" then men began to be in trouble. O the depravity and deceitfulness of the human heart! While the Judgment of the Great Day is yet considered in the obscurity of distance, "for many days to come - for times that are afar off," men can bear the prophecy. "A little more sleep, a little more slumber." But no sooner is the cry, "Behold, the Bridegroom cometh; go ye out to meet him," than the world is up in arms - the church too! Alas, the blood-bought sons of Zion will not endure the tidings: - the church will do anything rather than prepare for the immediate coming of her Lord: she will bestir herself anew, and set about the conversion of the world afresh, rather than admit the possibility of her Lord's coming without delay. Though I may not be satisfied with the

announced date of 1843 as the year of the Lord, yet if our learned chronologists can make it appear that our Time Table is 157 years behind Heaven's Dial, then I shall be persuaded to believe that A. D. 1843 will close the sixth millenary; and then, upon this system, the following year, A. D. 1844, the seventh millenary will commence, and so the coming of the Lord may be expected, early in the Sabbatic year; on what day or what hour who shall presume to say! This book tells the story of a major part of a born young Angolan women life, who believes in freedom and independence, contrary to what she grew up having living under her parents authority alike; every child. A child is brought up by its parents or guardian who determine how much and what type of free the child should have however; unlike the normality of a childhood, hers and her siblings was very abnormally controlled by her father although, she also had privileges which; is handful summoned by GOD out of His grace. Therefore, the privileges that she saw and lived she believes to have fully been the handwork of GOD, every thing she ever had and how

life was like before becoming a refugee, but even that; she believes it to be GOD's plan. Trusting GOD to the fullness of her life, heart and soul and spirit, is a her only way to have had to deal with everything she has gone through, and with the writings of her life and family story she hopes that; somebody, somewhere will read and have hope, courage and look for their divine purpose in life "We are not here in vein, but to serve a divine purpose"; says Abiyah. Especially that we are in the end we should watch and pray harder, and with our faith being the key "Jesus Christ is coming back, he is on the way, so do not give up now and never do give up." It all began with a very unusual series of dreams. Night after night, Michael Snyder kept having the same extremely vivid dream about the future, but at first he had no idea what those dreams meant. In a search for answers, Michael was led down some very deep rabbit holes which resulted in a chain of discoveries which will absolutely shock Christians all over the world. In this book, Michael explains that we are right on the verge of the most apocalyptic time in all of human history. Jesus specifically warned that there has never been a time like it before, and there will never be a time like it again. Our planet is about to go through a dramatic succession of horrifying cataclysms that will be far more nightmarish than most people would dare to imagine, but the vast majority of the population has no idea that this is about to happen. Unfortunately, much of what has traditionally been taught about the coming 7 year apocalypse is simply not accurate. Michael's previous books have changed the way that vast numbers of believers view the end times, and this book is destined to do the same. Even though we are about to enter the most

apocalyptic years the world has ever experienced. Michael also has a message of hope for those that have put their faith in Jesus Christ. God specifically placed you at this moment in human history for a reason, and the years ahead can be an absolutely amazing adventure if you have completely surrendered yourself to His purposes. All of human history has been building up to a grand crescendo, and we get to be here for it. This book will help you to understand exactly what is coming, and it will inspire you to face the cataclysmic events that are ahead with great confidence. Wake Up! The End Is Coming! "The smoke will fill the air where you no longer can breathe, filling up your lungs and choking all your airways. Is this what you want? Please tell me "No" because my words here will save you if you are wise enough to listen. My heart goes out to those who are too ignorant to grasp hold of what is right in front of you. Leslie has the gifts to hear, feel, and see the past, present, and future so she can be my messenger today like John was for the Book of Revelation. Learn how the dots of time connect." - God "My light will light the darkest hour!" YOU ARE NOW HOLDING GOD'S "FINAL WARNING" DO YOU DARE READ IT? A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a

weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text. Multitudes, multitudes in the valley of decision (Joel 3:14). What are you supposed to decide on? The decision is whether you want to live forever- have eternal life in paradise, in a wonderful place beyond the human imagination, in a mansion as Jesus Christ called it, or you can decide to live forever in the Lake of fire, being burned alive, where your skin will never fall off, & you feel the pain of being burned at the stake- forever & ever. Those are your only choices. Now some people will find this choice difficult, others who are sensible will find it easy. These are the things that will make it difficult to make the choice. (1) Political reasons- (a) Jesus is a Jewish God & I am a Moslem. Islam hates the Jewish people & to find out you have been believing in the wrong religion is too painful, so it is better to be burned alive forever than to give up my pride & serve Jesus Christ. (b) Christians have done evil things throughout history (c) Jesus Christ dissolved my nation (d) Jesus is Socially Conservative & doesn't believe in hedonism & the sexual revolution. (e) Jesus is Fiscally liberal & loves the poor (f) The Catholics have done wickedly with the Inquisition & the Pedophile scandal. (actually Satan is responsible)- If you disagree with Jesus Christs vision

of morality or what's good or bad, you can send your complaints to the grim reapers- the 4 Angels from the Euphrates who will kill 1/3 of the human race. Those are some of the reasons people will decide to be burned alive forever & ever. But after being burned, let say, for a trillion years- & you decide that it really was not worth it, that your decision was frivolous, you will find out that you cant come out of the Lake of fire- a trillion years is just the beginning. So make your choice wisely today while you still have the chance. The Bible says 1/3 of the human race will choose wrong. They did not take the warning of the coming day seriously. What will happen to those who choose correctly. When Jesus arrives, He will heal the sick, the crippled, the blind, the paralyzed & for those who are slaves to work- He will provide Antigravity vehicles, a machine like the Replicator on Star Trek that will provide all the food you need instantly from dirt, or change dirt molecules into cars, trucks, fuel, or a battery that uses gravitational waves as a source of energy- no more fossil fuels to destroy the planet. Jesus will give us Teleportation around the planet, & across the universe- faster then the speed of light. Instant travel to other galaxies. Also He will give us Space ships- Africa has ordered space ships some 7000 miles long lion ships, to 1 mile long Tiger ships- billions of these ships materializing out of thin space from Jesus and Angel technology. Africa has also asked that Jesus intantly materialize cities across the continent- that way we wont have to build our own cities or houses. Jesus is God & He can do anything. Africa has also asked for Force Fields- such that they could be the new plastic, or forcefields around spaceships so we can go through Black Holes & survive or go through Stars &

survive. We can build houses out of force fields or make beds, cars, cups, plates, clothes etc etc. Also Jesus will give us The Education machine that takes Computer data and inserts it into our memory. No more school. Jesus will also give us Robots, with true Artificial Intelligence. Do household chores to anything you want. These robots can be made out of forcefields, so you can carry them in your pocket, but able to move a mountain. Then the nations will be given billions of galaxies with billions of earths in this universe before it collapses. After that the Church & Israel own a googolplex universes for the nations. And we will live forever & ever on earthly universes or go to heaven in unknown realms of pleasure. So make your choice wisely. Multitudes, Multitudes in the Valley of decision: for the day of the Lord is near in the valley of decision. (Joel 3:14 Jesus Christ is a superstar on millions and billions of other planets besides the earth. Jesus is worshipped throughout infinity, through countless stars and countless universes. He might be the humble carpenter to us, but He is known as God to alien Christians in faraway universes. Jesus is worshipped in endless- infinite multiple universes. Jesus is truly the StarChild. "The Church and Israel own a googolplex universes and has doled out some for the nations. The Church and Israel own more universes than there are atoms in our universe of 200 billion galaxies. And each galaxy has about a 100-200 billion stars. If you count the atoms in each star, planet, asteroid, dust particle- the Church owns more universes than all the atoms in our entire universe combined. So Jesus is generous, the Church and Israel is generous and extremely zealous to give you universes and serve you." Jesus is God. He can be in

more than one place at once. He is in us and He is in the alien Christians. Christs body can appear in different places at the same time, like when He visits different families in multiple universes at the same time and still remain on His throne in heaven and also in Jerusalem. He is worshipped througout infinity. So worship Him in the spirit like all alien Christians do O human race. We will be one with the cosmos praising Jesus. THE AFRICANS WENT THROUGH THE GREAT TRIBULATION WITH SLAVERY, THE JEWS WENT THROUGH THE TRIBULATION WITH HITLER, THE NATIVE AMERICAN INDIANS WENT THROUGH THE TRIBULATION WHEN THE EUROPEANS EXTERMINATED THEM, THE CHINESE WENT THROUGH THE GREAT TRIBULATION WITH MAO AND THE CULTURAL LEAP FORWARD, THE RUSSIANS WENT THROUGH THE TRIBULATION WITH STALIN. JESUS IS COMING BACK IN MY LIFETIME AND THERE IS NO WAR BEFORE THE SECOND COMING. IT WILL BE AFTER THE 1000 YRS OR 40 BILLION YEARS FROM NOW. ISAIAH 22 PUT A CURSE ON THE VISIONS OF THE SECOND COMING. THATS WHY YOU ARE SO CONFUSED. INTERSTELLAR, INTERGALACTIC, INTERUNIVERSAL SUPERSTAR JESUS CHRIST. WORSHIPPED IN INFINITE UNIVERSES. BY COUNTLESS INFINITE ALIEN CHRISTIANS THATS WHAT JESUS MEANT WHEN HE SAID HE WILL COME BACK WITH GREAT

GLORY JESUS IS TRULY THE STARCHILD. INFINITE!!!!
Soon and Very Soon serves the wonderful truths of the Second Coming of Jesus Christ without confusion. Making simple what can seem complicated, Dr. David Hebert's exploration of Bible truths will lift readers' hearts. Unfortunately, most of our modern day teachings on this most important doctrine are misleading, to say the very least. Bill Vincent has studied for years and now is releasing his findings in this book, The Rapture. A careful scrutiny of the Scriptures will reveal the truth about the second coming of Christ, which we generally refer to as "the rapture". In The Rapture, he has set out to correct the most obvious errors of the pre-tribulation doctrine and to establish the basic foundation for understanding the truth of the matter. Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation, precept upon precept and line upon line. This is the only method of interpretation used in the pages of The Rapture. Since God Himself revealed His method of understanding doctrine, it is believed by the author to be the best method to use. Therefore, with Bible in hand, follow along with the Scriptures quoted and see if you don't find truth within its pages. In The Rapture, Bill answers questions that many do not know the answers to. Be open and allow this page turner to open up the biggest controversial subject of the rapture of Jesus Christ. If you are a lover of truth, you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the "gathering together" of Christ's saints unto Himself. Includes proceedings of various conferences sponsored by the University.
