Road trip...to space! After learning some startling secrets about her family, Jessica Drew goes on a mission to find the one person who might know more: the High Evolutionary! But she's going to need her BFF by her side -- and that means it's Captain Marvel team-up time! Before long, though, Spider-Woman will be abandoned by those closest to her -- and only one person will come to her aid...Octavia Vermis! Octavia has a cure for Jessica, and the prescription is: crime! Is Jess willing to resort to theft to gather all the tools needed to fix what's wrong? In the shadow of Knull's invasion, Spider-Woman must put everything on the line...and then cross it! Even if Jess can find the cure for what ails her, will she still have a life worth saving? COLLECTING: Spider-Woman (2020) #6-10 Compiled together for the first time, here are three plays by Argentine novelist and playwright Manuel Puig, who died in 1990. The centerpiece of the volume is Puig's Kiss of the Spider Woman, made into an acclaimed film starring William Hurt. Also included are the compelling works Under a Mantle of Stars and Mystery of the Rose Bouquet. The team of Brian Michael Bendis and Alex Maleev return to a Marvel comic for the first time since their Eisner award-winning run on Daredevil. Ripped from the pages of SECRET INVASION and NEW AVENGERS, this explosive chapter follows the new adventures of Jessica Drew aka Spider-Woman as she rediscovers her life in a world she did not make. Collecting: Spider-Woman #1-7 Jessica Drew has been an agent of both S.H.I.E.L.D. and S.W.O.R.D., an Avenger and so much more. But nothing could prepare her for the multidimensional insanity that is Spider-Verse! A war is brewing, and every spider-character in the multiverse is a target! But being a target is something Jessica Drew just won't abide. She's a woman with a mission, and with Silk, the newest spider on the block at her side, she'll need to put all her training to the test if she wants to make it out of Spider-Verse alive! Now, undercover in the most dangerous place in the multiverse, Spider-Woman is in the tightest spot she's ever been in. What if even succeeding with her mission means her death? And can Silk handle a solo mission? Collecting Spider-Woman (2014) #1-4 Traditional horror has often portrayed female characters in direct relation to their sexual role according to men, such as the lascivious victim or innocent heroine; even vampy, powerful female villains, such as the classic noir "spider women," use their sexual prowess to seduce and overwhelm married men. Fist of the Spider Woman is a revelatory anthology of horror stories by queer and transgressive women and others that disrupts reality as queer women know it, instilling both fear and arousal while turning traditional horror iconography on its head. In this collection, horror (including gothic, noir, and speculative writing) is defined as that which both titillates and terrorizes, forcing readers to confront who they are. Kristya Dunnion's "Homeland" reveals the horrors that lurk on your average night in a lesbian bar; Elizabeth Bachinsky's "Postulation on the Violent Works of the Marquis de Sade" is a response to Sade from a feminist (yet kinky) perspective; and Amber Dawn's "Here Lies the Last Lesbian Rental" is a paranormal fantasia about urban gentrification, set in a house rented by lesbians on the eve that it is sold to new owners. Subversive, witty, sexy—and scary—Fist of the Spider Woman poses two questions: "What do queer women fear the most?" and "What do queer women desire the most?" Amber Dawn is a writer, performance artist, and radical sex/gender activist who co-edited With a Rough Tongue: Femmes Write Porn. This is the first biography, now available in paperback, of Manuel Puig (1932-1990), Argentinian author of Kiss of the Spider Woman and pioneer of high camp. Suzanne Jill Levine, his principal English translator, draws upon years of friendship as well as copious research and interviews In an Argentine prison, the growing friendship between a thirty-seven-year-old homosexual, Molina, and a young Marxist, Valentin, is threatened when police officials start pressuring Molina to spy against Valentin Due to die.... Former anti-terrorist agent Rachel Havelock has two weeks to live. She intends to spend that time reveling in sex, sin, and excess. But the world still needs the giant spider shifter. But the Gods intervene.... Her ex-boyfriend, Jordan Tasos, is in hot pursuit of the terrorists who are exploiting the Greek financial crisis for profit. Only Rachel and her spider powers - silk, venom, and eight legs- can help him stop the Heirs of Socrates from destroying Greece. Can they beat the clock and save the world's oldest democracy? Or will Rachel fall victim to the Curse of the Spider Woman? In the Americas, the oral tradition has created one of the oldest surviving bodies of literature on earth. Native American storytelling, in particular, stands out for its distinctive honoring of womanly power and the female forces of the universe. Gathered here are traditional versions of stories and songs that best portray this strength and vitality. Illuminating the scope of human behavior—from treacherous mates and medicine men to magical sages and murderous mothers—these tales offer universal truths. And for readers who wish to explore the transformative healing gifts of these stories in a more personal way, each is accompanied by thought-provoking exercises and meditations. Also included are brief introductions to provide historical and cultural context. Entertaining, educational, and inspirational, this collection of timeless wisdom will shed light on the lives of readers for generations to come. Retells the Navajo tale of how a stubborn girl learns from the Spider Woman how to keep life in balance by respecting its boundaries. Collects Spider-Woman (2020) #17-21. Lights! Cameras! Action! Jess is still recovering from her epic showdown with her brother, Aeternum, when she decides to visit her old friend, stuntwoman Lindsay McCabe, on the set of her newest film project. But wait - those assassins aren't in the movie! And they're after Lindsay?! Get ready for your close-up, Jess! Then, when New York Mayor Wilson Fisk starts purging "costumed vigilantes" from his city, you can bet Spider-Woman is on his list! The Kingpin will do anything to bring her down - including going after her loved ones. It's all on the line for Jessica Drew when Fisk unleashes his insidious endgame! But why is Spider-Woman fighting...Spider-Woman?! And what's worse than Spider-Man's Sinister Six? How about Jess' awful assemblage of adversaries: the Anti-Arachnine! The first part of Spider-Woman's career concludes as her collection of challenges and crises is completed! Some of Marvel's most stupendous scribes set the heroine against Morgan le Fay, the Viper, Gypsy Moth and other fearsome foes, forgotten or otherwise! Plus: the first appearances of X-Factor's Siryn and X-Force's Caliban! But after tearing through a gauntlet of magicians, mad scientists, murder and mystery, what final fate awaits the webbed wonder? Guest-starring Spider-Man, the Hulk, the X-Men and the Werewolf! Collects Spider-Woman #26-50, Marvel Team-Up #97 and Uncanny X-Men #148 Presents Hopi Indian legends of the Creation, the adventures of the hero Tiyo, and the Twin War Gods and their activities on behalf of the Hopi. Manuel Puig's 1976 Kiss of the Spider Woman, translated into English in 1979 and adapted as an Academy Award-winning film, expanded the idiom of the novel (mixing cinema, fiction, romance, and song) and challenged the third-person narration that was dominant in Latin American Boom fiction. Students are drawn to the conversational style of the novel and the melodramatic seductions of the tale, but they need guidance to appreciate the novel's richness as a work of literature. This volume of the MLA's Approaches to Teaching series suggests ways instructors can help students grasp the novel's exploration of state and sexual politics and discern the strategies of narration that underlie the conversations between the two main characters. In part 1, "Materials," the editors discuss versions and translations of the novel, provide readings and resources, give an overview of the historical and political background of 1970s Argentina, and outline the author's biography. The thirteen essays in part 2, "Approaches," written by distinguished scholars of Latin American literature, offer close textual analysis, examine the author's use of cinematic references, and present suggestions for

teaching Héctor Babenco's film adaptation alongside the written text. Collects Spider-Woman (2020) #1-5. Spider-Woman is back, and she's pulling no punches! Jessica Drew hasn't been feeling like herself lately. When the angry, irritable and unwell Spider-Woman takes a simple security gig to help her get back on her feet, she finds herself besieged by unknown forces out to destroy everything around her. But what does Jessica's illness have to do with the daughter of her old nemesis, Otto Vermis? And how does a shipment of black-market spiders fit in? Jessica Drew is fighting for her life while someone is pulling the strings of her web. She soon finds herself forced back to where it all began — Wundagore Mountain, the nightmarish place that gave her powers — but who is making her relive her traumas? The answers are about to get personal! This is the Spider-Woman book you've been waiting for! "Impressive....Haunting....Enchanting...Every story in the book, which covers nearly a century of tradition, is interesting, written with intelligent passion." THE NEW YORK TIMES BOOK REVIEW Native American scholar, literary critic, poet, and novelist Paula Gunn Allen, who is herself a Laguna Pueblo-Sioux Indian, became increasingly aware in her academic career that the writings of Native Americans, especially women, have been marginalized by the Western literary canon. Allen set out to understand why this was so and, more importantly, to remedy the situation. The result is this powerful collection of traditional tales, biographical writings, and contemporary short stories, many by the most accomplished Native American women writing today, including: Louise Erdrich, Mary TallMountain, Linda Hogan, and many others. A life-

Starring the innovative and flamboyant novelist and playwright as himself. Manuel Puig (1932-1990), Argentinian author of *Kiss of the Spider Woman* and pioneer of high camp, stands alone in the pantheon of contemporary Latin American literature. Strongly influenced by Hollywood films of the thirties and forties, his many-layered novels and plays integrate serious fiction and popular culture, mixing political and sexual themes with B-movie scenarios. When his first two novels were published in the late 1960s, they delighted the public but were dismissed as frivolous by the leftist intellectuals of the Boom; his third novel was banned by the Peronist government for irreverence. His influence was already felt, though-even by writers who had dismissed him-and by the time the film version of *Kiss of the Spider Woman* became a worldwide hit, he was a renowned literary figure. Puig's way of life was as unconventional as his fiction: he spoke of himself in the female form in Spanish, renamed his friends for his favorite movie stars, referred to his young male devotees as "daughters," and, as a perennial expatriate, lived (often with his mother) everywhere from Rome to Rio de Janeiro. Suzanne Jill Levine, his principal English translator, draws upon years of friendship as well as copious research and interviews in her remarkable book, the first biography of the inimitable writer. On the trail of the Spider Woman weaves together the stories of the tiny elusive Spider Woman as she is mythologized by the Keresan Pueblo, Hopi and Navajo people. Two prisoners, Luis Molina and Valentin Arregui, share a cell in a Buenos Aires prison. Molina is in jail for "corruption of a minor," while Valentin is a political prisoner who is part of a revolutionary group. The two men, opposites in every way, form an intimate bond in their cell, and their relationship changes both of them in profound ways. In this short history it comes to pass that there is a cruel fight between me and a suddenly appearing monster. It happened to me on our country estate in the "old marks" (a remote area in the east of Europe). If you are interested in this fight and the inevitable end, you should read this short history. SPIDER-GWEN, SPIDER-WOMAN and SILK come together for the Spider-Event of 2016! Jessica Drew, Spider-Woman, has decided to step-up her mentoring of the younger, less-experienced Gwen Stacy and Cindy Moon. But when the trio gets trapped in Gwen's Universe, at the hands of an alternate Cindy Moon and her sinister organization S.I.L.K., there's not time for any more practice. This action-packed story will change the heroic course for all three Spider-Women! COLLECTING: SILK #7-8, SPIDER-GWEN #7-8, SPIDER-WOMAN #6-7. Characters: 15 male, 3 female Scenery: Interior

Winner of multiple Tony Awards including Best Musical, *Kiss of the Spider Woman* revamps a harrowing tale of persecution into a dazzling spectacle that juxtaposes gritty realities with liberating fantasies. Cell mates in a Latin American prison, Valentin is a tough revolutionary undergoing torture and Molina is an unabashed homosexual serving eight years for deviant behavior. Molina shares his fantasies about an actress, Aurora (originated on *Br Lady Hale* is an inspirational figure admired for her historic achievements and for the causes she has championed. Spider Woman is her story. As 'a little girl from a little school in a little village in North Yorkshire', she only went into the law because her headteacher told her she wasn't clever enough to study history. She became the most senior judge in the country but it was an unconventional path to the top. How does a self-professed 'girly swot' get ahead in a profession dominated by men? Was it a surprise that the perspectives of women and other disadvantaged groups had been overlooked, or that children's interests were marginalised? A lifelong smasher of glass-ceilings, who took as her motto 'women are equal to everything', her landmark rulings in areas including domestic violence, divorce, mental health and equality were her attempt to correct that. As President of the Supreme Court, Lady Hale won global attention in finding the 2019 prorogation of Parliament to be unlawful. Yet that dramatic moment was merely the pinnacle of a career throughout which she was hailed as a pioneering reformer. Wise, warm and inspiring, Spider Woman shows how the law shapes our world and supports us in crisis. It is the story of how Lady Hale found that she could overcome the odds, which shows that anyone from similar beginnings will find that they can cope too. It happened in an instant. After a breakfast with colleagues, Navajo Nation Police Officer Bernadette Manuelito sees a sedan careen into the parking lot and hears a crack of gunfire. When the dust clears, someone very close to her is lying on the asphalt in a pool of blood. With the victim in the hospital fighting for his life, every person in the squad and the local FBI office is hell-bent on catching the gunman. Bernie too wants in on the investigation, especially when her husband, Sergeant Jim Chee, is put in charge of finding the shooter. Bernie and Chee discover that a cold case involving Chee's former boss and partner, retired lieutenant Joe Leaphorn, may hold the key to the shooting. Digging into the old investigation with fresh eyes and new urgency, husband and wife find themselves inching closer to the truth with every clue . . . and closer to a killer who will do anything to prevent justice from taking its course. Spider-Woman is back, and she's pulling no punches! But Jessica Drew hasn't been feeling like herself lately. When the angry, irritable, and unwell Spider-Woman takes a simple security gig to help get back on her feet, she finds herself suddenly besieged by unknown forces out to destroy everything around her. What's wrong with Jessica? Just how did she get this job? Who are these violent lunatics who keep trying to blow her up? What does her illness have to do with the daughter of her old nemesis Otto Vermis? And how does a shipment of black-market spiders fit in? Jessica Drew is fighting for her life while someone pulls her strings, in an explosive new adventure that takes Spider-Woman to new heights! COLLECTING: SPIDER-WOMAN (2020) 1-5 The second Marvel Masterworks volume of Spider-Woman is here! In these pages, Spider-Woman and Spider-Man meet for the very first time as legendary Captain America writer Mark Gruenwald joins iconic artist Carmine Infantino. They kicks things off with the menace of the macabre villain the Needle! Then: Life for Jessica Drew is no fairy tale when the Brothers Grimm return, and they've brought along Madame Doll to help their deadly bedtime story. The Shroud emerges from the shadows for a multi-issue team-up when Nekra reveals herself in a shocking way! The bizarre Waxman melts his way into Spider-Woman's rogues' gallery before she tangles with the Werewolf by Night and seeks a new direction as a bounty hunter. COLLECTING: SPIDER-WOMAN (1978) 9-25; VOL. 299: SPIDER-WOMAN (1978) 9-25 (Vocal Selections). 11 compositions from this musical drama of transformation in a Latin American prison. Includes: Anything for Him * The Day After That * Dear One * Dressing Them Up * I Do Miracles * Kiss of the Spider Woman * The Morphine Tango 1 * Only in the Movies * Over the Wall 2 * She's a Woman * Where You Are. Even though, she's a mom now, Jessica Drew is still kicking ass and taking names as SPIDER-WOMAN! This time, she's tangling with the baddest fish in the sea - TIGER SHARK! FUN TIGER SHARK FACT: Did you know Tiger Shark has the DNA of both Namor the Submariner AND a tiger shark? Think about that for a second. COLLECTING: SPIDER-WOMAN 8-12 This all-new epic chronicles the intriguing secret history of Jessica Drew and her journey from child experiment to Hydra agent to S.H.I.E.L.D. agent to super hero to private eye to Avenger! Written by New Avengers scribe Brian Michael Bendis and searing-hot newcomer Brian Reed (Ms. Marvel), and featuring stunning full-color visuals by the Luna brothers (Ultra, Girls), this story is packed with intrigue leading directly into the upcoming Spider-Woman series from Bendis and Eisner Award-winning artist Alex Maleev (Daredevil). Collects Spider-Woman: Origin #1-5. Award-winning author Lois Duncan and Navajo artist Shonto Begay collaborate in this enchanting Navajo teaching tale. Through the magic of Spider Woman, a young girl learns one of the most vital lessons of Navajo culture--the importance of leading a balanced life. This book is a historical time capsule, an eyewitness report of the fast changing Navajo culture in the thirties of the 20th century. Apart from learning about traditional Navajo weaving, we also learn about daily life and ceremonial occurrences in Navajoland. Collects Spider-Woman (1978) #9-25. Spider-Woman's second Marvel Masterworks volume is here! In these pages, Spider-Woman and Spider-Man meet for the first time as legendary CAPTAIN AMERICA writer Mark Gruenwald joins iconic artist Carmine Infantino. The creative duo kicks things off with the menacing, macabre villain known

as the Needle! Then, life for Jessica Drew is no fairy tale when the Brothers Grimm return — and they've brought along Madame Doll to help their deadly bedtime story. And the Shroud emerges from the shadows for a multi-issue team-up when Nekra's villainy is revealed in a shocking way! Plus: The bizarre Waxman melts his way into Spider-Woman's rogues' gallery as she tangles with the Werewolf by Night and seeks a new direction as a bounty hunter! Jessica Drew is a private investigator, a super hero and...a mom-to-be? Since we last saw her, Spider-Woman's got a whole new responsibility -now she's adventuring for two! Ben Urich and Porcupine are still along for the ride -in fact, half the time they won't even let Jess leave the car! How's a gal supposed to save the day when her friends are being all overprotective? Then, Spider-Woman will be in over her head when she gets trapped in an alien hospital. Jess is no stranger to unusual circumstances, but getting held captive by Skrulls in the center of a black hole with a bunch of extraterrestrial moms-to-be might take the cake! Expectations won't be disappointed in the mother of all Spider-stories! Collects SPIDER-WOMAN #1-5. This lively account of a pioneering anthropologist's experiences with a Navajo family grew out of the author's desire to learn to weave as a way of participating in Navajo culture rather than observing it from the outside. In 1930, when Gladys Reichard came to stay with the family of Red-Point, a well-known Navajo singer, it was unusual for an anthropologist to live with a family and become intimately connected with women's activities. First published in 1934 for a popular audience, Spider Woman is valued today not just for its information on Navajo culture but as an early example of the kind of personal, honest ethnography that presents actual experiences and conversations rather than generalizing the beliefs and behaviors of a whole culture. Readers interested in Navajo weaving will find it especially useful, but Spider Woman's picture of daily life goes far beyond rugs to describe trips to the trading post, tribal council meetings, curing ceremonies, and the deaths of family members. SPIDER-GWEN, SPIDER-WOMAN and SILK come together for the Spider-Event of 2016! Jessica Drew, Spider-Woman, has decided to step-up her mentoring of the younger, less-experienced Gwen Stacy and Cindy Moon. But when the trio gets trapped in Gwen's Universe, at the hands of an alternate Cindy Moon and her sinister organization S.I.L.K., there's not time for any more practice. This action-packed story will change the heroic course for all three Spider-Women! COLLECTING: SILK 7-8, SPIDER-GWEN 7-8, SPIDER-WOMAN 6-7 The Spider-Verse is full of powerful women - and these are some of the most spectacular Spider-Women (and Girls)! Meet Jessica Drew, the first to call herself Spider-Woman! She's determined to put a troubled past behind her - but will she become a super hero, or something else? When Peter Parker comes to Los Angeles, Spider-Woman meets Spider-Man - and she thinks he is imitating her! Then, Cindy Moon was bitten by the same spider as Peter...and now she's rebuilding her life as Silk! Plus, in one future, Peter and Mary Jane have a daughter named May "Mayday" Parker - and in another, a girl called Annie. And they're both amazing! Get to know Spider-Girl and Spinneret as they battle deadly foes on their worlds!
